Questions of life? Questions about faith?

If you're new to church, or are interested in finding out what the Christian faith is all about, we run regular courses exploring the meaning of life. No pressure and no hype—just the opportunity to ask questions, discuss with others and reach your own conclusion. Courses include the well-known Alpha Course. Contact the Office to find out more.

They consist of pages from Daily Light translated into the New Living Translation, with a few paragraphs of comment based on the texts. More of a meal than just a brief snack. These are by way of being an experiment so please give comments and suggestions to Mark on mccgreenstock@btinternet.com, or in person.
