## Questions of life? Questions about faith?

If you're new to church, or are interested in finding out what the Christian faith is all about, we run regular courses exploring the meaning of life. No pressure and no hype—just the opportunity to ask questions, discuss with others and reach your own conclusion. Courses include the well-known Alpha Course. Contact the Office to find out more.

**Church Suite** - Was launched a few weeks ago and you should all have received an email inviting you to sign up, add your photo PLEASE, check your details and allow the forms of communication that you would like other church members to be able to access. Church Suite is more secure than the paper directories that we have been using. Church Suite has been around for many years now and is a well established piece of software that will really help us. It is an online platform that can be accessed through a mobile phone app or through a computer. The introductory video can be found here:
