Recent projects have included new lighting and heating and currently the stonemasonry and gates of the west wall and porch. A further £200,000 will go towards the new facilities project. A Friends subscription is £30 per annum or £40 for a couple. As well as knowing that you will be contributing towards this magnificent building, being a Friend also includes enjoying coffee mornings, talks and outings; this year to Gloucester cathedral, in September. Please pick up a leaflet from the back of the Abbey or speak to Bill McDermott or Chris Hamon.

This year the Mothers' Union is 150 years old. Mary Sumner founded the organisation to help women from all backgrounds to bring up their children in a positive way. From this humble beginning has come the worldwide movement which now works to end injustice, domestic violence and poverty. To acknowledge this landmark, a group from the Sherborne MU are walking the St Edward's Way, beginning in Wareham on May 6th and finishing in Shaftesbury on May 8th. We would like to raise money for a project run by MU which seeks to improve the literacy standard in some of the countries MU works in. The paragraph below gives an idea of the work.

Over 480,000,000 women worldwide are illiterate. Millions of women can't register the birth of their child, read a medicine packet or apply for a job in a world where technology and instant communication are everywhere. Education for children is a fundamental right, yet millions of women missed out on an education due to conflict, financial barriers or just because they are girls. The Mothers' Union aims to prioritise education for women and girls of all ages across countries such as Uganda, Kenya, India, Bangladesh, South Sudan and many more. We seek to empower mothers with the confidence and knowledge that literacy brings by equipping them with essential reading and writing skills which enable them to better support their children and engage more fully in their communities and access opportunities that were previously out of reach. It is our hope that through faith commitment and shared purpose, The Literacy Programme will open doors, inspire change and nurture a future where every individual has a chance to thrive.

If you would like to support us as we walk, there are sponsor forms at the back of The Abbey or you could contact me, Jo Higgs or Eileen Heath. Thank you.
